

Created in 1994, Bioport now counts forty (associations) members.

The membership to Bioport enables you to access our services, to be informed of our evolution and even to take part in the orientation of the activities and development of the services offered.

For 2018, Bioport wishes to develop this partnership. If you are a member:

- ✓ You are given the priority on the storage zone in our warehouse
- ✓ You will have the priority on the gifts that we are offered
- ✓ A link to your website can be posted on ours
- ✓ You are offered discounts or gratuitousness on actions organized by Bioport
- ✓ Access to our facilities is granted in need to organize meetings, during our working hours.
